If your car becomes inoperative on the track and requires a tow, track management will determine if your car poses a safety risk. If not, track management and the event organizers reserve the right not to tow your car to the paddock until the lunch break or the end of the day. Towing insurance is NOT included in your registration.

Fuel will be available for purchase at the track. Several grades of fuel will be available for purchase. The pumps are self-service. Please ask for directions to the fuel and air if necessary.

I have inspected the above described vehicle and take full responsibility for its condition on and off the track:
